

THE FERTILITY CENTRE

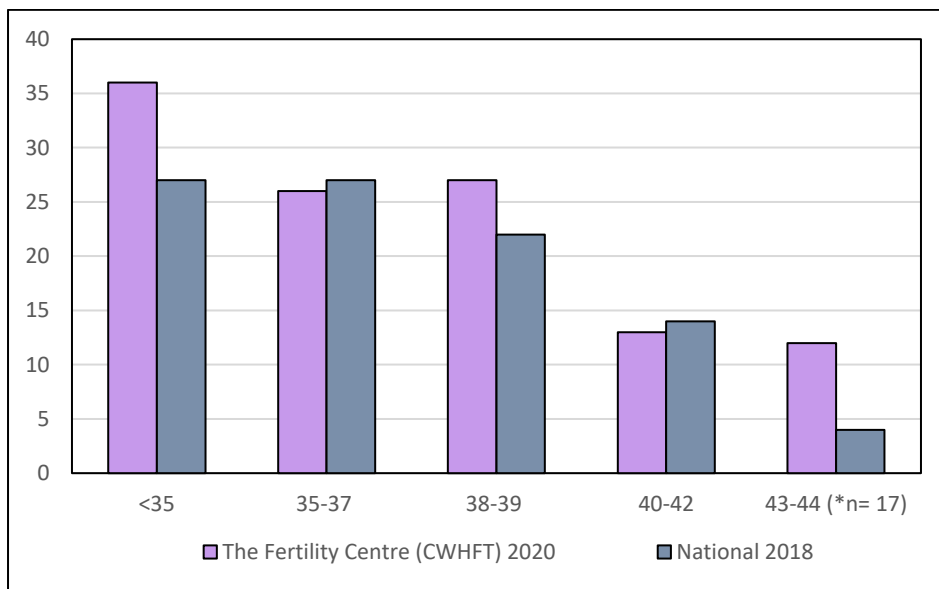

Chelsea and Westminster Hospital
West Middlesex University Hospital

Success Rates

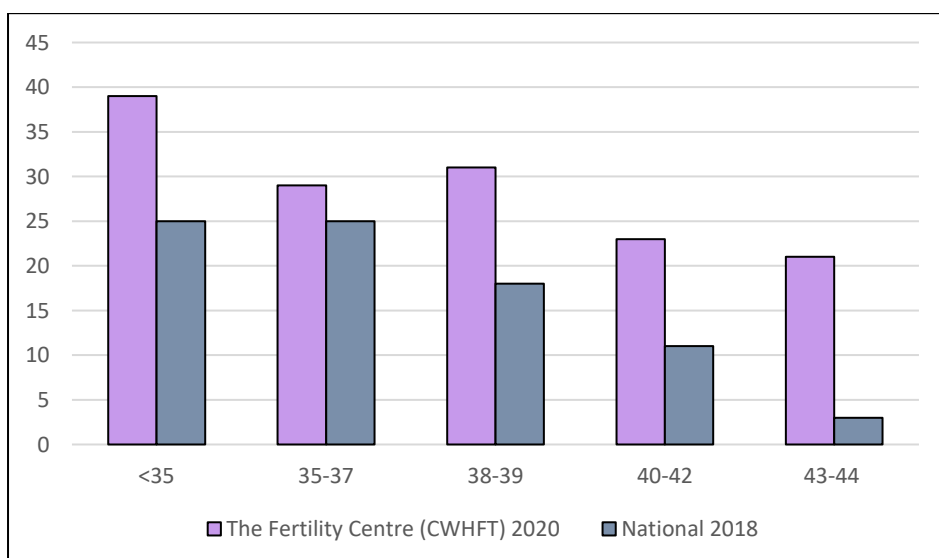

The success of a fertility clinic is determined not only by its pregnancy rate but also by the patient experience throughout treatment.

The Fertility Centre (Assisted Conception Unit as was) at Chelsea and Westminster Hospital NHS Foundation Trust (CWHFT) holds one of the highest clinical pregnancy rates amongst NHS hospitals in the UK – please visit www.hfea.gov.uk for further information.

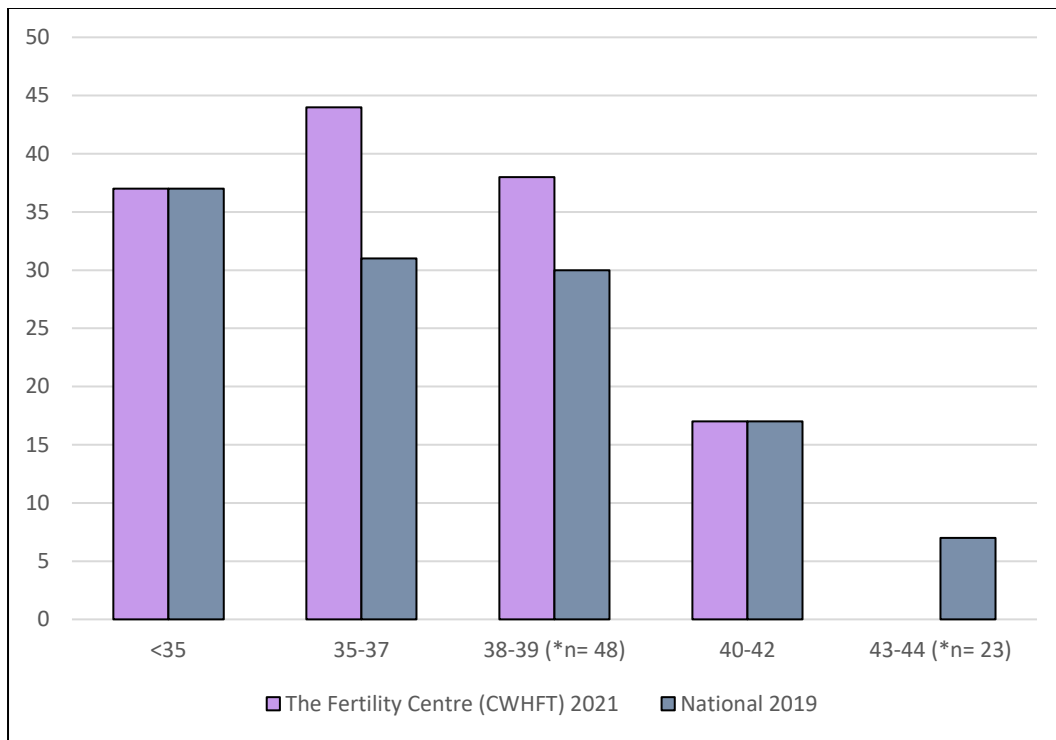

2020 Live Birth Rate (LBR) per Treatment Cycle

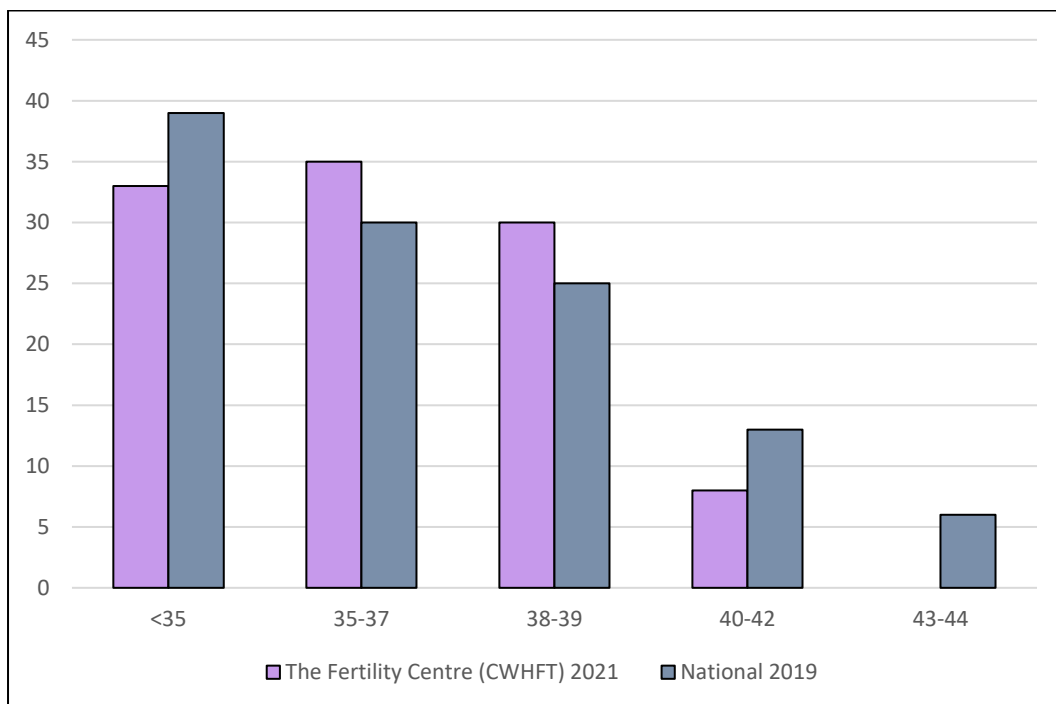

2020 Live Birth Rate (LBR) per Embryo Transferred
