Section H – Treatment Cancellation & Abandonment

IVF (including ICSI) and Egg Freeze Cycles
<p>Where any attempt at egg collection takes place, even if there are no viable eggs collected or failed fertilisation occurs, a cycle will be counted as complete whether or not a transfer is attempted.</p> <p>In the event that no embryo transfer takes place, we regret that no refund can be issued for treatment received until this point but patients will receive a £250 no transfer credit to their account.</p> <p>Should treatment be abandoned for clinical reasons prior to the egg collection procedure, patients will be eligible for a partial refund of the cycle package cost. Patients will be charged for all treatment received until that date by way of £900 cancellation fee and the difference (cycle cost less £900) will remain on the patients account as a credit.</p> <p>Cancellation fees are not applicable for CCG NHS funded patients. Please contact the booking team to understand the funding implications of cancelling your CCG NHS funded Fertility Treatment.</p>
IUI Cycle
<p>Should treatment be abandoned for clinical reasons prior to insertion of prepared sperm, patients will be eligible for a partial refund of the cycle package costs.</p> <p>Patients will be charged for all treatment received until that date by way of £600 cancellation fee and the difference (cycle cost less £600) will remain on the patients account as a credit.</p>
Frozen Embryo Transfer (FET) Cycle and Frozen Egg Thaw Cycle
<p>Should treatment be abandoned for clinical reasons prior to transfer, patient will be eligible for a partial refund of cycle package cost. A cancellation charge of £900 will be applied in the circumstance.</p>
Patient Indicated Cancellations
<p>Prior to Nurse consultation, if patients decide to no longer proceed with treatment at The Fertility Centre we will be able to offer you a full refund of your fees as long as your Nurse consultation is cancelled with a minimum 48 hours' notice of your appointment.</p> <p>Post Nurse consultation, if patients decide to no longer proceed with treatment at The Fertility Centre, before your stim start scan and starting your stimulation medication, then we will be able to offer you a full refund minus your Nurse consultation fee.</p>

Commented [FR1]: This should be applicable to all cancellations and refunds.

Commented [FR2]: This isn't applicable – I think this was copied wrong from IVF cycle

Additional Information

Payment Terms and Contacting Us

Private patients will be given a costed treatment plan from The Fertility Centre. This aims to provide you with an estimate of the cost of your treatment; this may be subject to change based on clinical investigations and ovarian stimulation protocol.

We require full payment upon booking your cycle and prior to attending your Nurse consultation.

Patient's appointments will not be confirmed until payment has been received and has been fully processed to the patient's account.

Payment for treatment can be made by –

- Credit card
- Debit card
- Bank transfer
- Via our secure online payment portal (hosted by gov.uk)

Please note that if patients choose to pay by bank transfer or the online payment portal, the payment must be within our account no later than 5 working days before their appointment or treatment date.

Patient accounts are regularly checked by our booking team and we respectfully ask patients to ensure that all fees are paid in full and in good time.

If overdue amounts remain owing, patients will be contacted and their appointments will either be rescheduled or (in the event that contact cannot be made) cancelled. Please note this may be up to 24 hours before the appointment or treatment date.

Medication fees have to be paid on the day the prescription is obtained.

We are only able to accept debit and credit card payments for medication.

If you require further clarification on any matters, please

- review our website <https://chelwestprivatecare.co.uk/fertility-centre/>
- or contact our booking team on 020 3315 8585
- or contact us via email at chelwest.acu@nhs.net
